According to Government Order No. G. 16908-58/G.M. 616-16-1 dated 19th June 1917, promotion to the grade of Senior Assistant Commissioners can be given only to Assistant Commissioners of the First Class, i.e. if there is a vacancy in the Senior Assistant Commissioner's grade and there is no one in the 450 grade, the vacancy is not filled up. Now that all Assistant Commissioners have been put in one grade on a pay of Rs.250-25-450, there seems to be no longer any necessity for continuing this ^{in the form} rule. The senior among the -- Assistant Commissioners on Rs.250-25-450, whatever his pay ~~may be~~, may, according to the ordinary practice ^{in respect} ~~and~~ of all appointments on progressive pay in all departments, be considered eligible for promotion.

among Assistant Commissioners. Under the old system, officers had to render much longer service than under the present arrangement to reach the grade of Rs.450 and even then, promotion to the grade of Senior Assistant Commissioner was not permissible except in the case of men who had reached the top of the grade of Rs.450. Now that the period ϕ for reaching the maximum of Rs.450 is shortened, the case ^{for} ~~of~~ limiting promotions to the grade of Senior Assistants only to Assistant Commissioners who have reached the maximum pay of Rs.450 is, if anything, stronger. I do not see why an officer who has not even reached the maximum pay of an Assistant Commissioner should be promoted to the grade of Senior Assistant Commissioner. Such an officer is certainly not senior and the justification of higher emoluments, in view of a more onerous charge, does not also exist in such cases. If a number of Senior Assistant Commissioners' appointments remain vacant, because of ^{there being no} ~~the absence of~~ Assistant Commissioners on Rs.450, the situation points to some exceptional ^{recruitment and in} feature in the flow of promotion and when such contingency arises, suitable action may then be taken. In the meantime, I think there is no need or justification for abrogating the existing rule on the subject.

There were then 4 Sub-Division Officers (Revenue) one on Rs 700, one at 600, & two on Rs 500. The places of 2 town magistrates on Rs 500 were also available for them.

11. From the Dewain note dated 23rd March 1906 in the printed compilation placed below, it is seen that at that time there were 5 Sen. Asst. Comm^rs on Rs 500-50-600 in place of the 4 Sub-Division Officers. Promotions to this grade were allowed to those who had put in at least 2 years' service on Rs 450 and who possessed of sufficient merit.

13. In June 1917, the provision that an officer should put in 2 years' service on Rs 450 before being promoted as Sen. Asst. Comm^r was removed and promotions to the grade were allowed to officers drawing Rs 450, provided they have rendered approved service and fully qualified themselves by passing the prescribed exam^{ns}.

The number of places has since been raised to 12 (including 4 for 1st grade magistrates).

14 I understand the Dewan's order to mean that the present orders restrict promotion to the Senior Assistant Commissioner's grade to men who have already reached 450. This is noted.

15 The question whether the Senior Asst. Commissioner's grade should be filled up by selection may perhaps be considered in connection with the Civil Service reorganisation.

16 In this connection reference is requested to Mr. V.P. Madhava Rao's note dated 25th April 1907 in the collection No.58 - - placed below, from which it will be seen that the idea then was to regard it as a selection grade, though it cannot be said that this has been consistently given effect to. Submitted to His Highness

These papers relate to a representation made by Mr. C. Machiah Superintendent of the Central Jail, for promotion to the grade of Senior Assistant Commissioner.

There is a vacancy in the grade of Senior Assistant Commissioners and Mr. Machiah is the senior among the Assistant Commissioners. He would have been eligible for promotion to the existing vacancy were it not for Government Order No. 16908-58 dated 19th ^{June} July 1917 under which promotion to the grade of Senior Assistant Commissioners can be given only to Assistant Commissioners of the First Class. This rule requires modification as there are no longer 1st, 2nd, 3rd etc. classes of Assistant Commissioners on Rs. 450, 400, 350 etc., but all Assistant Commissioners have been put in one grade on an incremental scale of pay, viz., Rs. 250-25-450. The intention of the rule was that only Assistant Commissioners who have reached the maximum pay of Rs. 450 should be eligible for promotion to the higher grade. Mr. Machiah's pay is Rs. 425 and he will reach Rs. 450 in November next.

Mr. Machiah, in his representation, urges that in the Forest, Medical and Engineering Departments and also in the Comptroller's Office, it is not necessary that the officers should have reached the maximum of the grade of Assistant Conservator, Assistant Surgeon or Assistant Comptroller, before they can be appointed to the next higher grades. The case of Assistant Commissioners is not, however, quite analogous to that of officers in those departments since Senior Assistant Commissioners for the most part perform the same duties as Assistant Commissioners. But it is found that by not filling up vacancies in the Senior Assistant Commissioner's grade, administrative inconvenience is sometimes caused, especially in connection with the appointment of First Grade Magistrates for

which

only Senior Assistant Commissioners are eligible.

The question was considered in Council on the 17th July 1924 and the following resolution was recorded:--

"When there are vacancies in the Senior Assistant Commissioner's grade, an Assistant Commissioner will be eligible for acting promotion to that grade even though he has not reached the maximum pay of Assistant Commissioner, viz., Rs. 450; but no Assistant Commissioner who has not reached Rs. 450 will be eligible for confirmation as Senior Assistant Commissioner."

This resolution may be graciously sanctioned.

I called at the office today to ascertain if I could get a special interview tomorrow with the Dewan to represent that I may be given one of the vacancies in the Senior Assistant Commissioner's grade even though I am drawing Rs. 425/- per mensem. The Private Secretary informs me that the Dewan is very busy and it is not possible to arrange for a special interview tomorrow. Consequently, I venture to put on paper a short representation of my claims for which I beg to be excused:

I beg to state that prior to the reorganization of the Civil Service, there were 5 classes of Assistant Commissioners and promotion to the Senior Assistant Commissioner's grade was restricted to Assistant Commissioners of the first class drawing a pay of Rs. 450 p.m. Under the new scheme, classes of Assistant Commissioners are abolished and as such I may be allowed to submit that promotion to the Senior Assistant Commissioners' grade depends upon the vacancies in that grade, irrespective of the attainment of Rs. 450/- per mensem. I may represent that this practice obtains in the Forest, Medical and Engineering services and also in the Comptrollers' Office. I, therefore, request that my claims to one of the vacancies in the Senior Assistant Commissioners' grade may be favourably considered.

Sir,

In forwarding herewith, an application from Mr. C. Machiah, the Superintendent of the Central Jail, for one of the vacancies in the Senior Assistant Commissioners grade or for a special rate of salary that used to be paid to the previous Superintendents of the Jail, I have the honour to testify to the good work done by him during the short period he has been in charge of this Jail. He has shown great enthusiasm for work and has been personally responsible for the improvements mentioned by him in the annexed statement. By his persistent efforts, he has reduced the Jail arrears from Rs. 8659-14-6 to Rs. 730-3-8. In appreciation of his work he deserves some encouragement and I strongly recommend his application for the favourable consideration of the Government.

I have the honour to be,

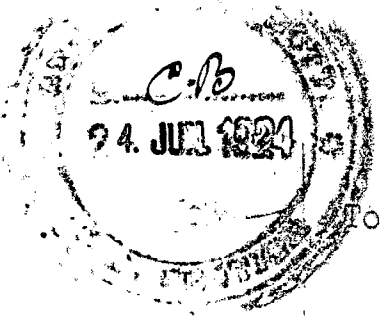

Sir,

I beg to state that I understand that there are some four vacancies in the Senior Asst. Commissioner's grade. I am now the senior in rank in the grade of Asst. Commissioner drawing Rs 425/-

Under the new scheme, as all classes of Asst. Commrs. have been abolished, the general principle to be applied in filling up vacancies in the higher grade, I presume, is to give it to the person who is senior among Assistant Commissioners, if otherwise qualified, whether he has reached the maximum or not. This is the principle followed in the case of vacancies in other departments such as forest, medical & Engineering services and also in the Comptroller's office.

In this connection I beg to urge that one of the reasons why promotion has been slow in my case is due to my confirmation in the grade of Asst. Commr. being unduly deferred. I was first appointed to act as Asst. Commr. in 1910 and confirmed only in 1914. I may also state that my work in the different ~~depar~~ departments in which I have served since my appointment as Amildar & Asst. Commr. has earned much appreciation (copies are enclosed). The post of the Superintendent of the Central Jail that I am now

(b) The lowest balance in Malur Taluk, which till recently fared no better than its adjoining Kolar & Bowringpet Taluks, shows how executive efficiency is not incompatible with real sympathy and regard for the peoples' wants, as this Taluk was also the foremost in having fully worked out a large amount over a considerable number of tanks, drinking water wells and other works of utility, to the great benefit of those concerned. WORK DONE IN THE JAIL.

The most salient features of last years works may be stated as below. The big clumsy gutter in front of the barracks at the entrance has been closed, thus adding to the clean and fresh look of the approaches to the Jail. Storerooms attached to all the work sheds have been cleaned and useless articles lying there have been removed. Closets in the Association barracks have been demolished and new ones on sanitary principles have been built. Edges of verandas of worksheds have been falgged with stones to protect them against being damaged. The road near the entrance to the garden gate has been extended. All the articles belonging to the Jail have been stamped with B.C.J. letters.

As regards water supply some of the barracks invariably suffered from scanty and failure of supply and on more than two occasions prisoner had to be sent out of the Jail Compound at great risk to get water for cooking and washing purposes. This was reported to the Water Works Department who were contemplating to put up a tank at great cost. Being afraid this would take a long time I asked Mr. Narasimha Iyengar, Assistant Engineer Water Works to go with me and it was pointed out to him that the difficulty of water supply was due to the connection of both high level and low level water taps. This was remedied at once and the water supply to the Jail has considerably improved. This has also remedied the mixed gauging of supplies for domestic and non-domestic purposes and as a result of this consumption of water has gone down from 85860 gals. in the Dhoby shed to 1140 gals. and from 1350 to 310 gals. in the pottery shed. It may be stated that the net income from manufactures has risen to 8110-13-11 as against 2940-12-0 of last year.

As regards clerical work:, Clothes of prisoners sentenced to over 5 years lyingⁱⁿ the Jail since 1917 have been disposed of along with 143 items of jewellery belonging to undertrial & civil prisoners since 1916. There were only 376 History tickets for want of forms. This has been completed. Sorting of records is supervised by me personally by checking the work done on each day.

Remission lists with certain modifications have been introduced in.
